Message from the Managing Director,

It gives me great pleasure to present the Annual report 2020 of TTC B.Ed. college, Aalo. The year has been both challenging and inspiring, as the college continued to uphold its commitment to quality teacher education even during the COVID-19 pandemic.

I sincerely appreciate the dedication of the faculty, staff, and students for their collective efforts in maintaining academic excellence and community engagement. May the institution continue to grow as a centre of learning, service, and inspiration!

Teachers training college B.Ed. Aalo, established in 2011 is affiliated to with Rajiv Gandhi University and recognised by the National Council of Teacher Education (NCTE). The college offers a two years Bachelor of Education (B.Ed.) program designed to prepare competent and socially responsible teachers.

Practicum, Internship and school visit

TTC B.Ed. successfully conducted practicum, internship, and school visit activities in an adapted mode following all safety protocols. B.Ed. trainees were engaged batchwise teaching practice under the guidance of faculty members. virtual classroom observation was also there. limited school visits were organized in nearby institutions once restrictions were erased, ensuring adherence to covid-19 guidelines. These activities helped students gain practical teaching experience despite the challenges posed by the pandemic.

Awareness Program on Water Pollution

An awareness programme on water pollution was conducted on 2nd march 2020 at Dego Village. The programme aimed to educate the villagers about the causes, effects, and preventive measures of water pollution. The event was supervised by Asst. Prof. Tech Yana and actively participated by students and residents. The session created awareness about the importance of clean water and encouraged community participation in maintaining water hygiene and sanitation.

Educational campaign on Duties of Parents towards their children

A community sensitization programme on Duties of Parents towards their children was organized Kombo village. The event aimed to educate parents on their vital role in their children's holistic development. B.Ed. trainees presented an impactful skit depicting parental responsibilities in nurturing education and moral values. The programme was supervised by Asst. Prof. Tech Yana and received active participation from the villagers.

World Environment Day Observation

World Environment Day was Observed in the college after the reopening of the vacation period. Though the official day falls on 5th June, the college marked the occasion with a tree plantation programme and awareness talk on environmental conservation on 30th July, 2020. Faculty members and students participated actively, emphasizing the importance of maintaining a green and sustainable campus environment.

Seminar on ICT in Education Training

A seminar on ICT in education training was organised on 15th October 2020 at the college. The objective of the seminar was to familiarize B.Ed. trainees with the use of information and communication technology ICT in the teaching learning process. Resource person from DIET, Kamba Shri T.N. Prasad demonstrated various digital tools, online teaching platforms, and methods to integrate technology in classroom instructions. The session helped participants develop digital competency and encouraged them to adopt innovative teaching practices. Faculty members and actively interacted during the discussion, making the seminar highly informative and productive.

Observance of Vigilance awareness week

Vigilance awareness week was observed on 2nd November 2020 at the college to promote integrity and transparency. The programme was attended by the Managing Director of TTC, who addressed the gathering on ethical values and honesty.

The programme included speeches, discussions and slogan writing activities conducted by the trainees to reinforce the message of vigilance and ethical responsibility. The observance concluded with a vote of thanks and a collective resolution to practice integrity in everyday life.
