Message from the Principal

The Academic year 2023-24 stands as a testimony to the collective commitments, perseverance, and steady progress of Teachers Training college B.Ed. Aalo. It gives me immense pleasure to present this Annual Report, which reflects the institutions continuous pursuit of excellence in teacher Education, Community engagement, and holistic student development.

During the year, the college successfully carried out all academic, practicum and co-curricular activities as per the RGU norms and NCTE guidelines. Our faculty members remained dedicated to enriching classroom learning through innovative pedagogical approaches, ICT integration, regular mentoring. Students demonstrated remarkable enthusiasm in academic performances, teaching practice, cultural activities, and community outreach programmes, reflecting their readiness to serve society as competent and compassionate teachers.

The college also organized seminars, awareness programmes, and other extension activities aimed at developing ethics, critical thinking and social responsibility among trainees.

As we conclude another fruitful academic session, I express my sincere appreciation to the Management Committee, Faculty members and students for their dedication, teamwork, and students for their dedication, teamwork and shared vision. Together we continue to strengthen our mission of nurturing future educators who inspire change and uphold the true spirit of education.

Practicum, Internship and school visit

During internship, students participated in school assemblies, lesson demonstrations, and awareness activities on hygiene and mental health. The internship period was a vital practical exposure connecting theory to real life teaching. Faculty members made supervision visits and maintained observation reports.

As a part of practicum component, a school visit was organised. The activity helped the students gain practical insights into the functioning of schools and bridge the gap between theory and real classroom experience.

Review and planning session with Managing Director

Before the commencement of the classes, the managing director interacted with faculty team to review performances and discuss plans to ensure smooth academic preparedness for the upcoming session.

Student faculty interaction

Student faculty interaction was conducted to provide academic guidance and monitor students' progress. During the session, faculty members engaged with students individually, discussed academic expectations, clarified queries, and offered suggestions for improvement. The interaction created an open and supportive learning environment, ensuring that students received proper direction and motivation in the initial phase of the semester.
